

Summer Camps 2019!

It's that time of year again, get ready for MAF's one of a kind summer camps! We run some of the most intensive and individual focused camps in the country. This year we are running 6-weeks of camp for all levels. Each camp runs Monday – Friday 9:30-3:30. Fencers do not have to be members of MAF to enroll, however members will receive a discounted rate. Camp space is limited to 14 fencers per camp, and registrations will be on a first come first serve basis. A 45-minute lunch break will be included in each camp.
